

## 4<sup>th</sup> of July Strawberry Firecrackers

1 lb strawberries  
6 oz white candy melts (about half a 12 oz bag)  
2 Tbs blue sanding sugar

Melt candy melt per package directions. Dip a strawberry into the candy melt, coating berry about 2/3 of the way up. Shake blue sugar on the bottom third of the strawberry. Place strawberry onto parchment or wax paper lined sheet pan. Repeat with remaining strawberries. Refrigerate to harden candy and until ready to serve.
